

Household Baptism Activity

Lets talk about baptism. Has anyone here been to a baptism? What happens at a baptism? *Talk about your experience with Baptism.* Baptism is one of the three Sacraments of Initiation. Baptism is the first sacrament we receive. Many of us were baptized as babies. In Baptism we become part of the Body of Christ or Church. In Baptism we start anew and our sins are forgiven. We promise to live as members of Christ. Tonight we are going to look up some scripture passages about baptism and learn more about it and what God gives us in baptism.

Look up the scripture passages below. Then look it up, read it, and talk about what it tells them about baptism. When done, take turns reading their passage out loud to the group. Discuss What does it tell us about baptism?

John 3:1-6,
Mark 1:4-9,
Matthew 28:18-20,
Mark 10:13-16

When you are done fill out the Baptism certificate for each person in your household and talk about their baptism.

What gifts are we given at baptism? Baptism is a calling to join the church and be a disciple. We are given love, unconditional love, mission to share God's love, courage, peace, a mentor, etc .
